Dedication

We, the graduating class of June, 1948 wish to express our sincere appreciation to those members of the faculty who have so freely and unselfishly given of their time and experience to make our class outstanding in all of its undertakings. We wish to assure them that we shall endeavor to live honorable and upright lives; that we shall be respected citizens who will take an active interest in our community, our city, our state, and our nation; that we will fight if we must to keep our great democracy from being destroyed by subversive elements in our midst; that our great and noble nation shall have all the help and inspiration that we are able to give.

Any resemblance to persons living or dead we say the following comments are purely coincidental. To those involved in the following, we make these bequests because we feel they are necessary.

To our Campus we leave a bag of grass seed and fertilizer.

To Study Halls we leave yesterday's newspapers and the latest gossip.

To our School Dances we leave the wall flowers and dark corner sitters.

To Cutters and Tardy Pupils we leave advice to beware of MR. STRASSBERG.

To the Custodians we leave headaches of keeping the school in shape.

To Mr. Cuozzo we leave a pack of razor blades and a smile.

To Mr. Gross we leave a book of puns. (Witty remarks)

To Mr. Schechter we leave a bottle of aspirins.

To Mr. Skolnik we leave a better Mathematicians Club.

To Mr. Prag we would like to leave Tom Benson who was an inspiration in our Trig. Class.

To Mr. Hedstrom we leave the "New Deal" to throw darts at.

To Mr. Marsh we leave a couple of minutes between periods for respite.

To Mr. Lerner we leave a record entitled "Knock it Off".

To Mr. Katz we leave a tip, "Don't give your night school classes the same test you give your regular classes."

To Mr. Velardo we leave the task of fixing it up for the pupils.

To Mrs. Sullivan in the Chem. Lab. we leave a new book of late slips.

To Miss Mooney we leave complaining students, a big heart and all our thanks for her help.

To Mr. Rowan we leave his beloved literature and also his realistic sentences. (He can have them)

To Mr. "A." we leave more patience, nerves, and a better supply of records. (If we can get them under Petrillo's ban)

To Miss Boutillier we leave more English projects and book reports to give to the students.

To Miss Kaufman we leave the Rumba aye, Conga aye, and the Samba aye, aye, aye.

To Miss Sullivan we leave more illuminating remarks about girls which no doubt she will make endlessly.

To Mrs. Burke we leave smiles, gladness, typing certificates and charm.

To Mr. Inzeo we leave a pointer so he can do less talking.

To Mrs. Wright we leave a quiet homeroom which she surely would appreciate.

To Miss Rybkiewicz we leave President Wilson at his best.

To Miss Allen we leave jobs, accuracy, and appreciation for her hints on tact.

To Mr. Nester we leave a pair of wings so he can cover more ground on the second floor.

Next Step Central

Down on Burnett Street stands the Central Annex building of fond memory, the last step for the commercial students before entering Central. The enthusiastic students keep up as much contact as possible, with their big brothers and sisters at the Main Building. To those of us who attended the annex, these photos will be a remembrance of a pleasant sophomore year.

WELCOME **WBGO**
FEBRUARY 5, 1948

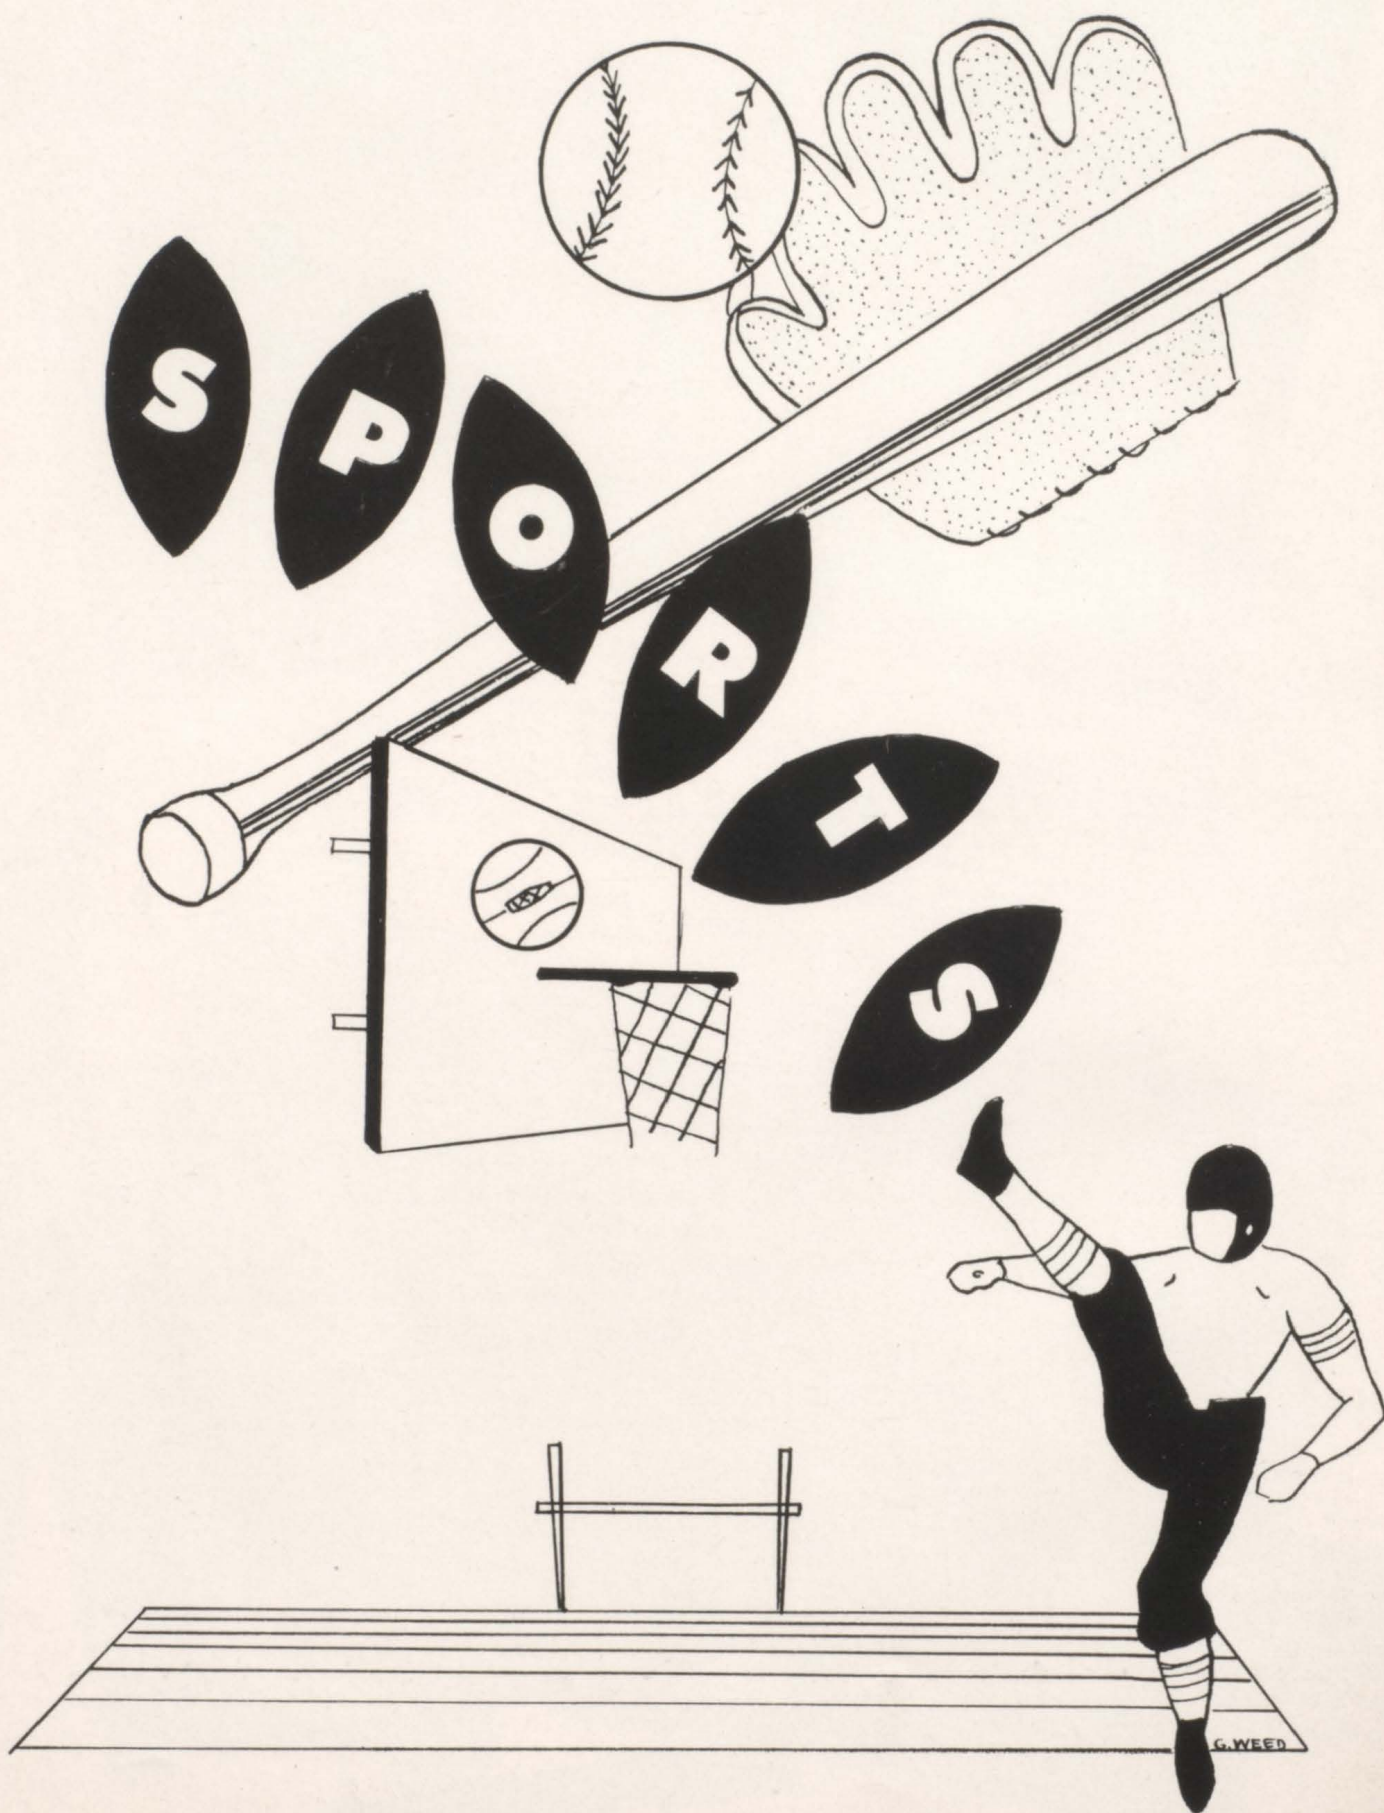

February 5, 1948, brought a new means of education to New Jersey, the school-owned radio.

Hundreds of visitors and educational leaders were present to witness the inaugural broadcast of WBGO, the first Board of Education radio station in New Jersey, located on the fourth floor of Central High School.

Rev. Barton performed the invocation, and other celebrities such as Dr. Studebaker, U. S. Commissioner of Education; Hon. V. J. Murphy, Mayor of Newark; Director of Public Safety Keenan; Dr. Bosshart, N. J. Commission of Education; Dr. Przybylowicz, President of the Board of Education; Dr. Herron, Superintendent of Schools, addressed the new station.

At the conclusion of the broadcast, Mr. Ralston, as Principal, extended his welcome.

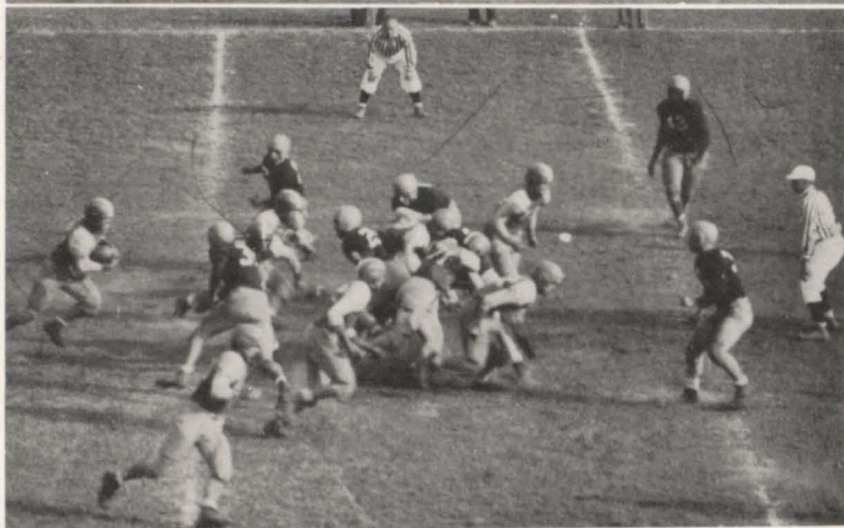

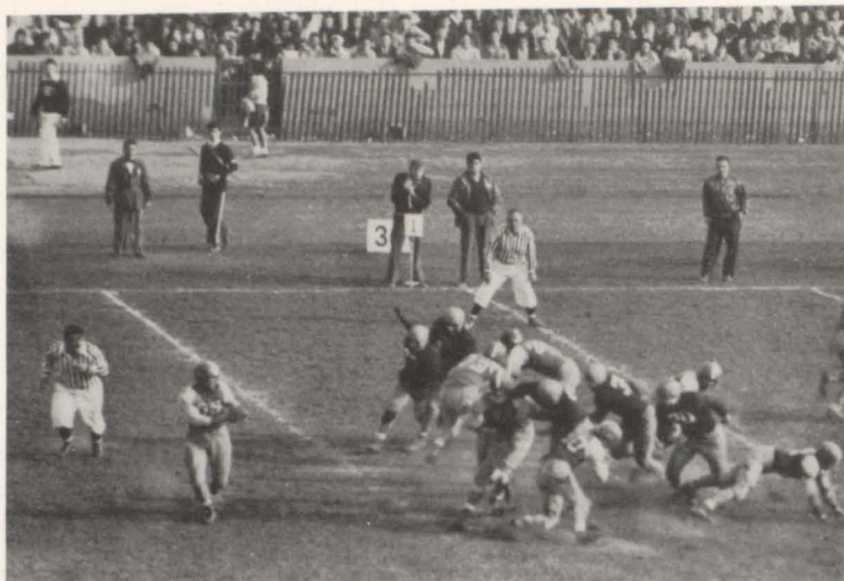

1947 CENTRAL BLUE DEVILS—Head Coach MR. SAL COMMISA

FOOTBALL

Central's Blue Devils, City Champions of the '46 season, entered the Gridiron in '47 in a determined effort to repeat the difficult feat. Nutley High's Maroon was the first to challenge the light blue and didn't make the grade as Central emerged with a 14-6 decision. Barringer's dark blue, a heavy team, the first city league obstacle, was removed in short order by a 19-0 decision. South Side High, next on the agenda, didn't have much of a team to brag about, but they did have the annoying habit of upsetting the favorites. Keeping this in mind, the Blue Devils played steady ball and gained their 32-6 decision. Following the South Side tilt we left the pleasant surroundings of City Stadium and raided Bloomfield. Tackling their team, we barely escaped with a 6-0 decision. West Side's Passing Green Wave was the biggest obstacle to a city league championship, and the game drew 17,000 at City Stadium. The tilt was the proverbial school-boy natural, with West Side the first team to mar our perfect record, winning the game in the last few minutes of play. Perth Amboy, Central Jersey Championship winners, was our next foe. On a rainy day in November, in a tightly-played game, Perth Amboy escaped with a 21-19 decision. From Perth Amboy the Blue traveled to Orange and there they again emerged on the short end of the score, this time 14-6. City Stadium was our next stop for the Thanksgiving Day game with East Side. The Red Raiders were determined to get our blood and played a brand of football which was unfamiliar as they won a 12-6 decision for the windup of their football campaign and ours.

Our final record showed 4 wins and 4 losses for a .500 average, which is good in any man's league. The team fought hard and played their darndest and gained the respect of the entire school.

BASKETBALL REVIEW

by

MEL FALLIK and ED EAGLES

LESLIE THORNTON

SAMUEL CONVISSOR

For the past four years, Central High School's basketball squads have done a magnificent job. During this time we have seen players of a high caliber such as Joe Gallagher, Bill Saks, Eddie Stickle, Ed Sauchicki, Ed Weber, Whitey Nelson, Jimmy Walsh, Charlie O'Neil, and LeRoy Smith bring many honors to Central under the tutorship of Coach Henry Finck. Among these honors were two city championships, two sectional championships, county championship, and the state championship. The 1947-'48 team did not have many stars, but boys such as Sam Convissor, Les Thornton and Tom Daniels played excellent ball to uphold this fine record. Playing a fine brand of ball, Sam Convissor took LeRoy Smith's place as captain. Thornton and Daniels played well, though the ineligibility of the latter at half season kept him from participating.

At the start of the '47-'48 season, Central High's defending state champs showed their ability by downing a better than average Kearny team at the New Brunswick Invitation Tournament. This tournament was won by Central on a later date. Thus, one of the toughest basketball campaigns had begun. With single losses to Weequahic and East Side, our boys gained second place in the city league standings by defeating Barringer and South Side twice and Weequahic and East Side once. In the Weequahic game, LeRoy Smith bowed out of high school competition. In out-of-the-league competition our boys downed Nutley, Kearny, and West Orange while dropping decisions to Columbia, Thomas Jefferson, Orange, Bloomfield, Belleville, St. Benedict's, and Irvington. In the county tournament, Orange dropped Central in first round competition. In first round pairings for the state tournament, Central met a favored Kearny team. Our boys, taking the lead at the opening whistle, and never slowing up, found themselves the victors when the final gun sounded. But all thoughts of gaining their second straight state championship crown were squelched as the state-bound Orange quintet took the measure of the Central "5".

With the final tabulation at the completion of the season, Central found itself at the .500 mark with a record of eleven wins and eleven losses, inclusive of county and state tournaments.

SWIMMING TEAM—MR. IRVING LEVIN, Coach

SWIMMING

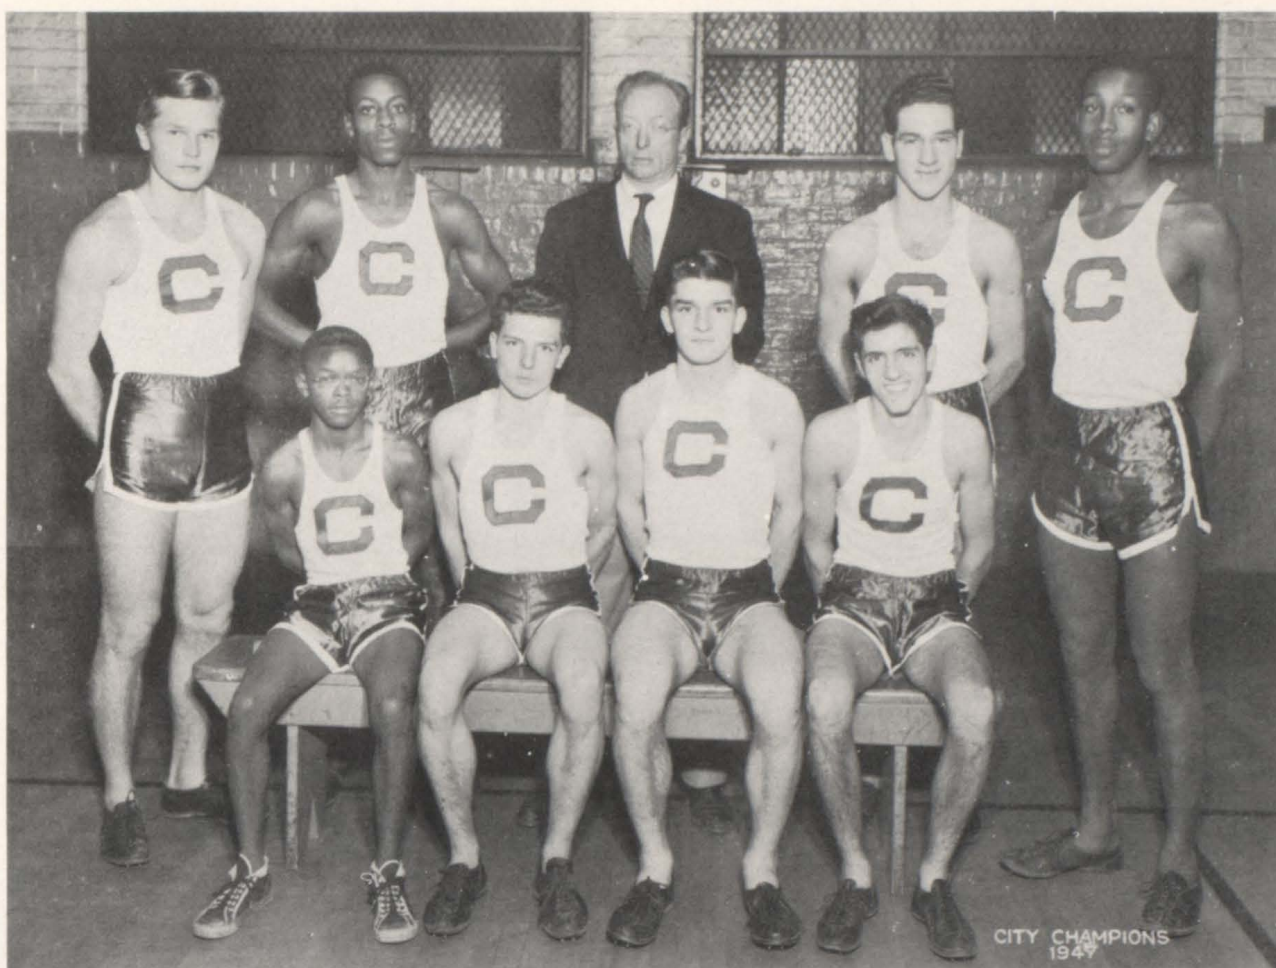

Central's mermen have been very active the past season. They took the title in the city league for 1947, winning 9 meets and losing one. In the first meet, which was held January 6, 1947, our boys competed with South Side, winning by a score of 39 to 18. We lost the second meet to East Side by a score of 37 to our 20. The other meets found us victors, winning by not less than three points.

In the city meet, our mermen came in third place, being beaten by East Side, which won first, and South Side, second. Outstanding in the city meet was Ken Walsh, 40-yard free-style, establishing a new record. Phil Nicolaus came in first in the 220 free-style and came in second in the 100-yard free-style, being beaten by just a touch. Marvin Turtleaub took fourth place in the 100-yard breast stroke. Arthur Turowski took fourth place in the 100-yard breast stroke also.

The Medley Relay was composed of Kenneth Marsh, Marvin Turtleaub, and James England who took fifth place for Central. George Arnold, Mario Cucuzella, Arthur Turowski, and Ken Walsh made up the team for the free-style relay. They took second place.

Boys receiving letters will be: George Arnold, Louis Cuasulli, Mario Cucuzella, Kenneth Marsh, Philip Nicolaus, Arthur Turowski, Marvin Turtleaub, Ernest Stamoutsos and Ken Walsh.

The boys, under the direction of their capable instructor Mr. Levin, have come out one of the best swimming teams in the city.

CROSS COUNTRY TEAM—MR. SOLOMON FLEISCHMAN, Coach

CROSS COUNTRY

Our gallant runners of Central have made an enviable record for the past two seasons. In '46 they won the City Championship with West Side coming in second. The Blue Warriors scored a leading 26 points, while West Side and Weequahic both scored 68 points each. Barringer came in fourth, scoring 86 points. Dave Bolden and Bill Miles, Central's stand-outs, crossed the finish line together. John Ignomirello led a large part of the way but dropped back to fourth place.

In '47, our boys came in first again, making that two times in first place in the City Championship meet. Barringer was second. We took third place in the County Meet. The State Meet found us in sixth place, which was good considering all the varied competition.

The season of '47 was opened with a bang! The boys won a victory over East Orange, the score being, Central 17 points to East Orange's 38. Bill Miles finished first while our brother graduate, John Ignomirello came in second in the excellent time of 12:25.

With the outstanding training of our Cross Country Coach, Mr. Fleischman, the boys have built up a strong and capable team. To them we wish the future to be as bright as their past. Graduating with us are John Ignomirello and Kenneth Gullman, two outstanding members of the team. John served three years as a runner on the team, winning three letters from the school and several medals from the city and county. Kenneth is a two-year man, who also won two letters.

BASEBALL TEAM
MR. ROBERT REILLY
 Coach

BASEBALL

With 16 wins, 1 tie and 4 losses to our credit, our boys have proved their ability. They have played hard and victoriously this past season (1947), and it has been one to remember. We won the City League Title with the excellent record of 9 wins and 1 tie. East Side was our opponent in a 13-inning game resulting in the tie, the score being 1-1.

Central beat the Central Jersey Champions of Group IV (New Brunswick) by a score of 5-0. The winning pitcher in that 9-inning game was our own Al D'Alonzo.

One misfortune we witnessed was to lose to Caldwell High in the final quarter of a 9-inning game. That misfortune disqualified us from the Greater Newark Tournament.

Results of some of the games were: Central won over Bloomfield 3-2, North Arlington 4-1. Andrew Kehrle was the winning pitcher in the South Side vs. Central game which proved he is a very capable ball player. The score was 8-1.

Co-captains of the team are Andrew Kehrle and Kenneth Reith. The co-captains, with the superior instruction of their faculty advisor, Mr. Reilly, really helped bring our baseball team to its fame along with the excellent playing of the boys on the team. Andrew Kehrle, Andrew Bove, and Pat Loungo are fellows of the team graduating with our class.

GOODBYE CENTRAL

Under the guiding hands of our ever-loving parents, we entered grammar school where we were taught the 3R's and what was more important the fear of God. On a warm June night we crossed one of the many bridges of life; we graduated from Grammar school and with light hearts looked forward to High School.

Then came high school, with the football games, and the rallies, the fellows, the girls, and of course, the broadening of our intelligence. Four years later, the great day arrived; and while we were putting on our caps and gowns, our short life flashed before us; and in a sudden burst of sentiment, we were thinking of the past. As we walked down the aisle, every step was another remembrance of high school days and the fact that we had to leave brought sadness to what otherwise would have been a gay night.

We have but one consolation. Wherever we go, either to the four corners of the earth or just Newark, N. J., our hearts will always be united with the thought of Our Lady of the Hill.
